## **A dose of sanity for an insane world**

IHS Press re-prints G.K. Chesterton's classic *The Outline of Sanity*

IHS Press, the only Catholic publisher dedicated exclusively to works dealing with the Social Teachings of the Church, has announced the availability of *The Outline of Sanity*, by the renowned Catholic writer, G.K. Chesterton. *The Outline of Sanity* is Chesterton's unapologetic critique of Socialism, Communism, and Capitalist Monopoly. In it he reveals how "Distributism" is the common-sense answer to most modern economic woes. Out of print for the past 75 years, or available only as part of an expensive compilation of Chesterton's works, *The Outline of Sanity* is now available again as a single volume, only from IHS Press — at a low introductory price of \$12.95 plus \$2.50 for postage and handling. To order, call (757) 623-0309; or by e-mail at [order@ihspress.com](mailto:order@ihspress.com), and online at [www.ihspress.com](http://www.ihspress.com). Or send check or money order to IHS Press, Dept. NL, 222 W. 21<sup>st</sup> St., Suite F-122, Norfolk, VA 23517.
